Bay Area Legendary Rockers, Void Where Prohibited, Sign on to  
the Calistoga Half-Mile

Long time SF Bay Area favorites Void Where Prohibited have signed on to play the Calistoga Half Mile during pre-event festivities. "We are very excited to have Void Where Prohibited join the exciting entertainment lineup for the Ramspur Winery Calistoga Half Mile on September 27th," says event co-promoter Terry Otton. "With epic racing, new track improvements and a museum quality bike show, the addition of one of the Bay Area's best and hardest working bands really helps put this event over the top."

Void Where Prohibited will play an extended set between 5:00pm and 6:00pm as the action begins to get heated up.
